What is referred to in the memo No. 2019 of 23/2/33 is only D.C's letter of 31st Dec. 1932. In fact no letter of 5/1/33 from the D.C. Mysore is among the records. The cases of the petrs have been fully reported in paras 4 & 5 of the Mysore D.C's letter of 31.12.1932. A total sum of Rs 165/- has been ordered by the M.C. to be remitted in respect of S. No 109, as the land was reported to be lying fallow.

6. As regards Doddiah, he is reported to have paid fully the annual quitta of Rs 272 in respect of S. Nos 64 and 68 for the first three years commencing from 1928-29. For the 4th year of lease he is stated to have paid only Rs 150/- leaving a balance of Rs 122/- which sum was recommended by the D.C. to be remitted & this has been refused by the M.C. No mention is made in the report

For perusal. The lessees' failure to pay was due to the fall in prices but it does not seem that they can be excused the dues on this account. If they had cultivated the land and tried to pay some concession might have been thought of but Apparently they wished to shake off the lease and made no honest attempt to meet their obligations. The petition has no merits & be rejected

16 APR 1936

OFFICE OF THE FIRST MEMBER OF COUNCIL 15 APR. 1936

Respectfully sheweth,

1. The humble Petitioners undermentioned most respectfully beg to lay this humble petition before the benign Government of His Highness the Maharaja of Mysore for gracious consideration and early orders.

2. The Petitioners took up the lease of the following lands at Singanahalli and Jainhalli in the Krishnarajpet Taluk belonging to the Sri Srikanteswara Swami Temple at Nanjangud for a period of 5 years commencing from 1928-29

Javara Naika.	S.Nos.	55, 82, 108, 109, 110 & 111.
Ramiah bin Dolliah.		64 & 68.

The annual gutha payable in respect of the former was Rs. 344-0-0 and Rs. 222/- in respect of the latter. The Petitioners paid the stipulated rent for the first three years, viz., 1928-29, 29-30 and 30-31 in respect of all the S.Nos. against great odds and heavy difficulties except in respect of S.No. 109 which was unsuited for cultivation altogether. Being unable to bear the burden any longer and having come to the end of all ~~our~~ Their resources ~~they~~ applied to the local officers and to the Deputy Commissioner of the Mysore District to terminate the lease and free ~~us~~ them from ~~our~~ their responsibility or in the alternative to reduce the gutha upon a full consideration of all the circumstances of ~~our~~ their hard case.

3. Petitioners beg to submit that they took up the lease without a personal knowledge of the nature of the land as the lease right was not sold at the spot where the lands are situated and under the pressure brought to bear upon them by Patel Ramachandriah of Akkihebbal--who had his own ulterior motives in the matter. The Petitioners are god-fearing and law-abiding poor ryots and are now completely deceived as a result of having entered into this transaction on the advice tendered by interested persons. Besides the Petitioners did not bid and take up the lands prompted solely to derive personal gain but they had in view the interests of the Sri Sri-kanteswaraswami, their family deity.

4. Petitioners beg to submit that at the time they took up the lease of the lands the price of paddy was ruling as high as Rs. 20/- per candi but as ill-luck would have it, the price began to fall down abnormally from the year 1928 so much so that in 1931-32 it was as low as Rs. 5/- per candi. Not-withstanding these disabilities the petitioners discharged their liability honestly and faithfully for the first few years and their resources having been crippled down beyond redemption they had to commit a default in the payment of the rent during the remaining period of the lease.

5. Petitioners beg to submit that upon incessant representations made by them, searching and elaborate enquiries were made on the then existing conditions and the petitioners have reason to believe that the local officers were fully satisfied about the formers bonafides and recommended their hard and pitiable

case for the consideration of higher officers. Owing to the misfortune that pursued the humble Petitioners in all their honest attempts, gutha due in respect of S.No. 109 was partially remitted in spite of the fact that a portion of the S.No. measuring 2A-18G was wholly unsuited for cultivation and that even the remaining portion was lying fallow for the major part of the lease period.

6. Petitioners beg to submit that they applied to the Muzrai Commissioner in Mysore against this decision who without giving an opportunity to the humble petitioners to lay their case before him for gracious consideration decided adversely to their interest. The endorsement said to have been issued to the Petitioners communicating the above decision did not reach them at all and they were full of hopes that their hard and pitiable case would receiv due consideration and would not be decided ex-parte. The humble petitioners learnt of this only when the Revenue Inspector came to attach their moveable properties to realise the arrears alleged to be due by them. Thereafter the Petitioners applied to the Muzrai Commissioner for a copy of the final order passed, and an authenticated copy of the same is enclosed. It is in these circumstances that the Petitioners were not able to apply to Government for redress in time and they pray that the delay may be condoned and this Petition graciously admitted and justice meted out to them.

7. Petitioners beg to submit that even though this appeal comes within the purview of section 38 of the Mysore Religious and Charitable Institutions Regulations, yet they are conscious that their humble representation cannot strictly have the backing of any specified law or custom having the force of law. Petitioners beg that the Petition may not be thrown out on this technical plea alone for they have a prima facie case for gracious consideration by Government justice and equity alike demand that their hard case should be sympathetically examined with reference to the elaborate local enquiries made Government officers and other attendant circumstances and the humble petitioners saved from complete ruination.

8. Petitioners beg to submit that they have unimpeachable evidence to prove to the satisfaction of Government that they did not realize any benefit from the lands even during the years for which they have made payment and that the further demand made of them will completely and irretrievably ruin them. In the event of the parentage Government denying them the justice which is rightly due to them, they shall have no option to abandc their homes and take refuge elsewhere, as they are even now eking out a despicable livelihood. The direction of the respected Muzrai Commissioner to the Deputy Commissioner to the effect that the grant of concession in the case of one of the Petitioners will create inconvenient precedants for other lessees to claim similar concession

concession cannot be substantiated on grounds of moral justice and equity. Each case has to be determined with special reference to the extenuating circumstances and the merits of the claim and a general direction cannot be made applicable to all cases without disastrous and ruinous results.

9. In view of these considerations, among others, the Petitioners most respectfully beg that their peculiarly hard case does not stand on a par with others and needs sympathetic consideration at the hands of Government and in making this appeal they earnestly hope that the elementary principle of justice in affording them an opportunity to place their case before Government will not be denied to them as has been done by the Lower courts without sufficient justification.

The humble petitioners pray that the entire connected records may be sent for and perused and the exparte order of the respected Muzrai commissioner passed without a full and equitable consideration of the facts of the case and of the recommendations made by the local officers after elaborate local enquiry may be reversed and justice meted out to them, they being graciously given an occasion to make their submissions personally. The humble petitioners further pray that in the alternative the case may be remitted to

the respected Muzrai Commissioner with a direction to take the case afresh and decide it on merits after hearing the petitioners.

10. In conclusion, the humble Petitioners pray that pending the disposal of this petition the coercive action that is being taken against them may be ordered to be suspended, as it has compromised their position in the village and is working out their ruin speedily. If so, the Petitioners are prepared to give such security for the arrears alleged to be due by them as may be deemed necessar by Government. An endorsement to this effect may graciously be vouch-safed to them.

For these acts of benevolence and generosity the humble Petitioners will in duty bound, feel ever grateful.

Muz: Mis No. /36-37.

Petitioners:- 1. Javara Naika son of Lakka Naika residing in Chickka Baria Yedathore Taluk.
2. Ramaiah son of Nanjappa Dodda-Baria Yedathore Taluk.

The petitioners most respectfully beg to submit as follows:-

1. On 21-4-1936, the petitioners appealed to this honourable court against the order of the Muzarai Commissioner declaining to remit certain gutta amount due to Srikanteswaraswami Temple at Nanjangud, of lands situated in Singanahalli village Krishnaraja pet Taluk. The said appeal is still pending disposal.

2. The Taluk authorities are taking serious coercive actions to enforce the order of the Lower court and to recover the amount alleged to be due. Petitioners are law abinding humble and loyal subjects of the Government, paying an assessment of more than 250/- rupees per annum and holding a high status in their community. The simple fact that S.Nos 55 and 109 are lying fallow ever since the termination of the lease in 1933 and that the other four S.Nos. Viz., 82,108,110,and 111 have not fetched even 50 per cent of the previous lease will bear out that the petitioners intentions are bonafide and their grievances are genuine and that they have a prima facie

case for consideration.

3. As a result of the coercive steps taken by the Taluk authorities, the petitioners have not been able to harvest the paddy and if the stack ಮೆದೆ is left unattended immediately, the crop would become useless and rotten. The hay not be fit for fodder and the petitioners completely ruined and their families will have to die of starvation. The waram ryots who have cultivated them would seriously suffered.

4. In view of these considerations the petitioners respectfully pray that the attachment of the paddy may kindly be raised. If the court were to consider that the petitioners are not solvent , they are prepared offer any tangible securities necessary.

5. Since the crop is rotting and becoming useless the petitioners humbly implore a stay order may kindly be passed pending disposal of the original petition.
